Dear PTO agent:

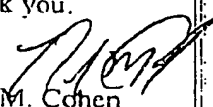

Please refund our deposit account 50-1105 in the amount of \$205.00 for the reason below.

On September 25, 2003, our deposit account 50-1105 was charged \$410.00 for patent application Serial No. 10/054,045, for a two-month extension for a response to an Office action. The amount should have been \$205.00 because applicant claimed small entity status on the SB/05 and SB/17 when the application was filed. Further, on the amendment filed in this case which required the two-month extension, we expressly stated that we believed the amount due to be \$205.00.

Applicant has done nothing to change the status to large entity. It appears we were just charged large entity rates in error. (Note, the rates were \$205 for small entity, and \$410 for large entity, at the time the fees were authorized. They subsequently have been increased on October 1, 2003).

Please call me if you have any questions.

Thank you.

Neal M. Cohen
